## **8<sup>th</sup> Grade News**

The Murray Hill Middle School 8th grade class will attend Atholton High School's performance of its school play, *Crush*, on Thursday, November 10, 2016. The trip will last from 9:15-12:25. Students will return to school to eat lunch as normal. The cost of the trip is \$10.00, payable by check written to Murray Hill Middle School, or in cash. Payment and permission slips are due to Ms. Stallings or Mrs. Evans by November 4, 2016. Please contact Ms. Stallings at [jennifer\\_stallings@hcpss.org](mailto:jennifer_stallings@hcpss.org) or at (410) 880-5897 if you have questions about the trip.

### **About the play...**

*Crush* is an alien invasion rom-com that is also a 21st century response to Thornton Wilder's classic *Our Town*. *Crush* is a mash-up: funny, heartbreaking and full of unforgettable characters. It's a play about what it means to love someone and what it means to be human. It involves a small town in the California desert falling on hard times, a high school theatre group staging *Our Town*, love in many flavors, and an alien invasion, headed by a lead alien who has six bodies, five of which are invisible to *almost* everyone. But the one teen who can see the alien is also the one who had a nervous breakdown when his mother disappeared--so who's going to believe him about the aliens? Find out!

## **8<sup>th</sup> Grade Washington, D.C. Field Trip**

The 8th Grade class will be going to Washington, DC on Friday, November 18th. The class will get to explore the Newseum, American History Museum, and other museums and memorials on the National Mall. The cost of the trip is \$22.00 and payment can be done online at (<https://osp.osmsinc.com/howardmd//default.aspx>) or sent in with student's permission slip.

We will leave at 9:00 am- so students can come to school at the regular time. We will be returning to MHMS at 4:30 pm, so students will need to get picked up by 4:45 pm. If you need to arrange a ride for your student to go home with someone else, please write a note to the office indicating who has permission to take your child home. If you have any questions regarding the trip, please contact Molly Schaefer at [molly\\_schaefer@hcpss.org](mailto:molly_schaefer@hcpss.org)

### **Teaching the Whole Child - Asset of the Week:**

One of the many wonderful things about being a middle school educator is observing how much our students grow during their 3 years with us. This growth is not just physical or in the critical academic arena, but also in their equally important social/emotional domains. In an effort to support the social/emotional growth of our students this year, Murray Hill will be leading our students through a introduction to the Search Institute's 40 Developmental Assets. This week's asset is "Home Involvement in Schooling". Each week, 1 asset will be highlighted with MHTV segments, associated quotes, and posters displayed throughout the building. We hope you will reinforce these assets at home with your children and support their individual development with positive praise and recognition.

Want to know more about the 40 Developmental Assets and ideas for helping young people build them? Visit <http://www.search-institute.org/assets>.

If you have any questions, comments, or suggestions please don't hesitate to reach out to Mr. Wilson.

## Martin Luther King, Jr. Essay Contest

The Howard County Martin Luther King, Jr. Holiday Commission will host the Annual Martin Luther King, Jr. Celebration on January 15, 2017. County Executive Allan H. Kittleman has recognized the importance of this event to our community by making the organizing group a permanent county commission. A highlight of the celebration is the award presentations to Howard County Middle School and High School students who are our essay contest winners.

Dr. King's historic speech, "I have a Dream" <http://archives.gov/press/exhibits/dream-speech.pdf> remains as relevant today as it was in 1963. The Howard County MLK Holiday Commission invites your students to describe their dreams and vision for their world in their essay submission.

**The essay theme for this year is: "Dr. Martin Luther King, Jr. had a dream....What is yours?"**

The individual essay focuses on both the present and the future. Students are invited to write an essay about their own dreams for a better community and a better world, demonstrated through leadership, service, inventions etc. and what they envision themselves doing. **The deadline for submission is 5:00 PM November 11, 2016. The essays must be submitted by email in Word format.** Students with disabilities can submit a poster or use other media to portray their ideas for the present and the future.

## **Calling All Fathers, Step-fathers, Grandfathers, Uncles, Older Brothers and Coaches...**

We need YOU!

Each week, Murray Hill MS is focusing on one of Search Institute's developmental assets that support social and emotional growth.

During the week of October 31st, the focus is "Parent Involvement in Schooling." The African proverb, It Takes A Village" sums up our goal for the week. We are taking it one step further by encouraging a strong presence by the men in our school community.
