What is the Student Ambassador Program?

The MHMS Ambassador Program is a school-wide initiative that gives students the opportunity to take on leadership roles in school, create activities that increase school spirit and work collaboratively to make positive contributions in the community. It is open to students in the sixth, seventh and eighth grades. Students must complete an application, however, they do not have to re-apply each year.

How to Join

1. Check Your Grades:
   Students must earn a 70% or above in each class

2. Fill Out an Application
   Applications will be located in the media center and student services office beginning October 20th thru November 7th.
